1. Battery
2. Starting motor
3. Voltage regulator
4. Generator, D.C.
5. Coil
6. Distributor
7. Fusebox
8. Directional flasher unit
9. Engine oil heating resistance
10. Solenoid switch
11. Windshield wiper
12. Blower-heater unit
13. Water temperature gauge bulb
14. Oil temperature gauge bulb
15. Inspection lamp socket - 10 watt
16. Fuel level sender
17. Warning horn
18. Mileage recorder
19. Revolution counter
20. Fuel level indicator
21. Water temperature gauge
22. Engine compartment light - 5 watt
23. Map reading lamp - 5 watt
24. Trunk light - 5 watt
25. Fuel pump
26. Engine ground connection
27. Radio set socket
28. Headlamp
29. Front parking lamp
30. Rear parking lamp
31. License plate light
32. Side lamp - 5 watt
33. Signalling knob
34. Warning horn knob
35. Directional light switch
36. Heater switch
37. Choke control switch
38. Ignition switch
39. Headlamp switch
40. Dashboard light switch
41. Windshield wiper switch
42. Screen washer switch, pedal operated
43. Reverse light switch
44. Headlamp undipped beam switch, pedal operated
45. Stop light switch
46. Trunk light switch
47. Headlamp bulb } outer - 40/45 watt
inner - 45 watt
48. Front parking light bulb
49. Rear parking & stop light bulb
5/20 watt
50. Rear directional light bulb - 20 watt
51. Reverse light bulb - 20 watt
52. License plate light bulb - 5 watt
53. Dashboard light bulb - 2.5 watt
54. Generator warning light bulb - 2.5 watt
55. Blower-heater warning light bulb
2.5 watt
56. Directional warning light bulb - 2.5 watt
57. Headlamp warning light bulb - 2.5 watt
58. Choke control warning light bulb
2.5 watt
59. Fuel reserve warning light bulb
2.5 watt
60. Parking warning light bulb - 2.5 watt
61. Cigarette lighter
62. Connections
